PROFILE

DR. S.A. JEEVA

**Specialist Child &
Adult Psychiatrist**

Phone : 011-684-1621
Fax : 011-684-1615
E-mail : jeeva786@rogers.com

Dr Jeeva not only specialises in ADHD, but is an ADHD patient, with and ADHD child. He is a Specialist Psychiatrist, practising from the Centre for Medical Excellence at Melrose Arch and the Garden City Clinic in Johannesburg.

He was born in South Africa and studied medicine at the Royal College of Surgeons in Ireland (1970 -1976). Dr Jeeva, trained and practiced as a Child and Adult Psychiatrist for 25 Years in Canada. In 2005 he returned to South Africa, to continue practising psychiatry. Dr Jeeva is an expert psychiatrist in ADHD (especially in Adults).

Professional Experience and Accreditations Include:

Psychiatry residency at the University of Ottawa – Canada (1979-1983), Child Psychiatry Fellowship in the University of Ottawa (Canada), Diploma in Psychiatry (University of Ottawa, Canada), Fellow of the Royal College of Physicians in Canada (1983). He was also co-ordinator of Regional Psychiatric Education in Canada.

Dr Jeeva is licensed to practice both in Canada and South Africa.

He is experienced in treating depression, panic attacks, anxiety, social phobia, bipolar and executive burnout syndrome.

Having dedicated his life to ADHD, he travels extensively to present papers and/or keep up to date with the latest developments in the field.

Social Responsibility

As a psychiatrist, he feels it is his duty to share his knowledge with doctors, counsellors, educators and parents. So in addition to treating patients, he travels South Africa extensively giving informative and interactive presentations on ADHD at a variety of schools and conferences.

He is a regular guest on TV and radio, appearing on 3 Talk, House Call, Carte Blanche, 3rd Degree, Radio 702, Radio 2000, Lotus FM and Kaya FM.
