“Success at anything will always come down to this: Focus and effort and we control both.”

-Dwayne Johnson

“It always seems impossible until it's done.”

Nelson Mandela

The School of Life's high impact, intensive and effective **Personal Development Coach training course** is designed to help YOU realise your potential and worth. It is a life transforming experience. We Empower, Equip, Upskill, and Inspire YOU to be the BEST version of yourself you can possibly be by tapping into your potential! We teach you to think about your thinking, live consciously and create self-awareness. We teach you everything you need to know to produce the results you desire in your life for you and your clients lives! For some “Change only happens when the pain of staying the same becomes greater than the perceived pain of change”, for others it happens as they make it happen!
